Greetings in the name of Jesus!

Prayer requests

1. Last Sunday, Grace and I woke with terrible backaches. Mine was better by afternoon. But for Grace she is still having the backache and a stomach that is so upset that it only lets in a little water.
2. I have shown you pictures of the new buildings at the Navillus area. Now the official program of reaching out to the youth has started. On the 8th, we started with the Sunday School and Junior youth. Tomorrow we will have a session with the Senior youth. The plan is that the Senior youth will have their programs on the 1st/3rd Saturdays of the month and the Sunday School and Junior youth on the 2nd / 4th Saturdays. Four Youth will Rock Center Church of Christ will come on Fridays on the 1st and 3rd Fridays and walk around and do evangelism. (Starting today) August – the Senior youth meetings will be on the 15th and 29th.
3. Here are the team members that need your prayer.
